

the **BONHOEFFER** project

Changing the DNA.....

Partnering with Bonhoeffer (UK)....

What Do I pay?

Bonhoeffer want to partner with churches and not simply to sell them a resource. We are seeking churches that desire to take disciple making seriously to partner with us through annual subscription. The 2018/19 subscription is £700.

What will we get for our annual subscription?

Bonhoeffer partner churches will have the benefit of:

- Being part of a mentoring cohort of Pastors/leaders
- Cohort access for two staff/leadership per annum
- Free entry to the Bonhoeffer (UK) annual conference
- Free access to online materials/blog

How do I sign up?

Either during or following the conference, please complete one of our church partnership forms and/or request via email. Once you have returned the form, one of our Bonhoeffer (UK) team will be in touch to discuss becoming a partner church, joining a disciple making cohort and payment options.
